

BASIC COURSE ON MEDIATION

Mediation is the negotiatory process of alternative dispute resolution method to resolve suitable disputes. It is the process of resolving the disputes by negotiation guided by a neutral mediator appointed by the parties on consensus or by the mediation centers. Mediation is the renowned method of dispute resolution used by the parties and the usage is developing tremendously. The commercial disputants are adopting this method into their original contract or through a separate Mediation agreement. The Right in Personam (Right against a person) disputes may be resolved through mediation.

The conducting of mediator proceedings is art of ability process by the neutral mediator. The fundamental ambit of mediation depends upon the neutral mediator's knowledge and experience on mediation and also upon the ability to conduct the sessions in a fair and conducive manner. The wisdom and fairness in the process plays determinative role in the mediation process.
